Circular

Subject : Interest Free Advance payments towards Testing Charges

Reference : Proposal File No. 2022/83 of EE(QC) division

Material Testing Laboratory (CMTL) is providing facility of Interest Free Advance payments towards Testing Charges, for the convenience of contractors working on CIDCO projects.

The contractors can deposit advance towards Testing Charges and the actual charges as per Test Requisition will be adjusted by debiting the said advance through SAP.

The advance will be Contractor (Vendor in SAP) specific, and not project specific. Testing charges of any project being executed by the contractor can be debited against the said advance.

The SAP authorization's for accepting and debiting the said advances are vested with Engineers deployed at CMTL.

The Executive Engineers are requested to inform about this facility to contractors working under their jurisdiction. For further information EICs may contact CMTL at 022-40165897.

This is issued as approved by Competent Authority.
