The screenshot displays a PDF document with a Certificate Viewer dialog box open. The dialog box shows the following details:

- Summary:** Source of Trust obtained from Adobe Approved Trust List (AATL).
- Trust Settings:** This certificate is trusted to: Sign documents or data.

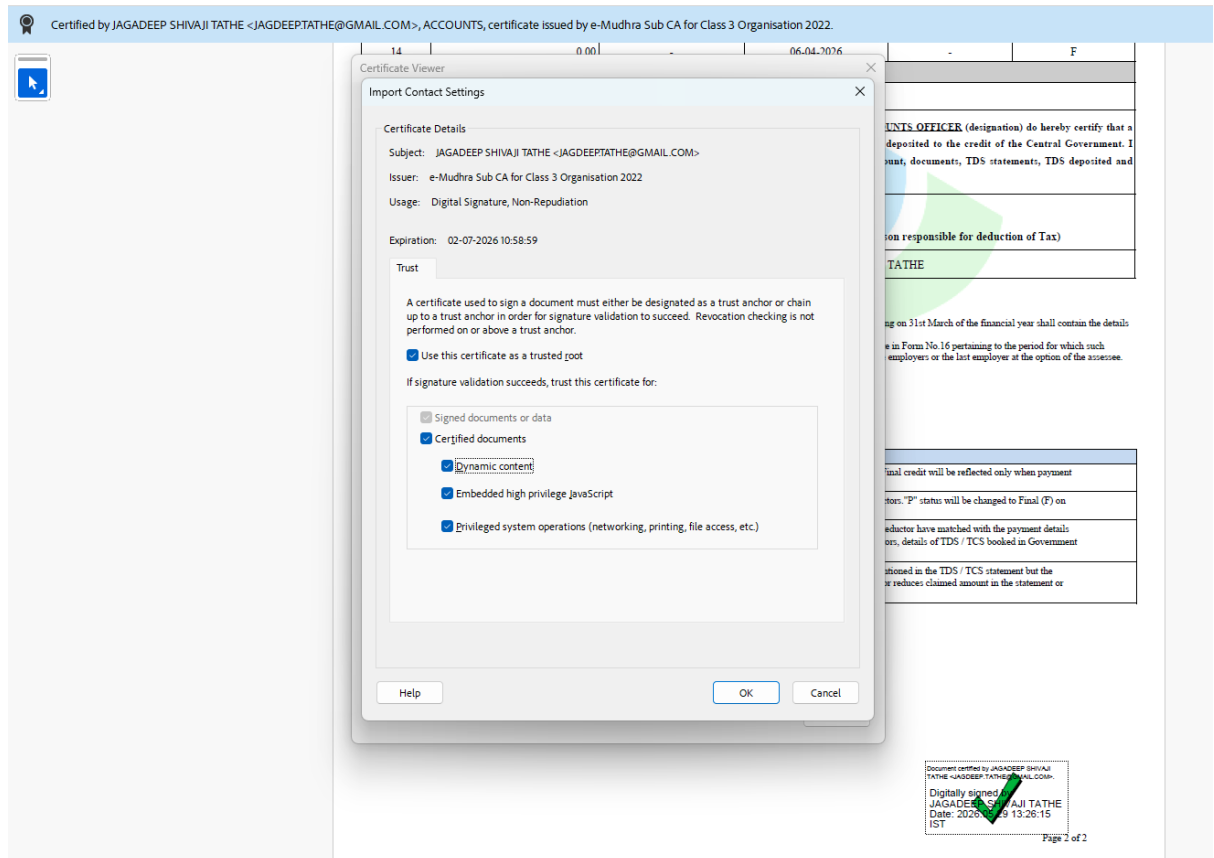

An Acrobat Security warning dialog box is also present, stating: "If you change the trust settings, you will need to revalidate any signatures to see the change. By directly trusting the signer's identity you are overriding all inherited trust settings. Are you sure you want to do this?"

At the bottom of the Certificate Viewer dialog, a status message reads: "The selected certificate path is valid. The path validation and revocation checks were done as of the signing time: 2026/05/29 13:26:15 +05'30' Validation Model: Shell".
