

CIRCULAR

CIDCO has completed the procedure of registration with District labour Commissioner, Thane & Raigad, under the Contract Labour (Regulation & Abolition) Act, 1970. In order to have smooth updating of information related to various departments of CIDCO in which various contract labour is being deployed, a meeting was held on 11/01/2019.

It was decided in the meeting that the information regarding labours deployed under each contract of Engineering section shall be uploaded on the website "apalesarkar.com" by respective CEs for their sections viz. CE(NM), CE(SP) & CE(NMIA)

All Chief Engineers shall appoint a Nodal Officer for uploading the required information on said website

The login ID and password will be shared by Personnel Department with these three nodal officers and they shall be responsible for uploading of the information by 7th of every month.

All SEs / EEs shall furnish the required information of all contracts as per enclosed format to the respective Nodal Officer on or before 5th of every month for uploading on website. Further all EEs shall maintain a register in their office regarding above information. Yearly information shall be forwarded to M(P) by nodal officers for necessary annual returns.
