NO. CIDCO/SE(HQ)/2018/667   Date: 15/2/2018
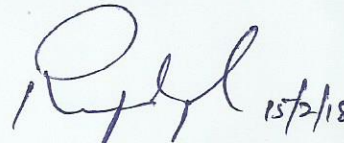

Circular

      Engineering Department has started the SAP implementation from 18th December, 2017.

      As decided the payments of Engineering Projects are being made in FB60 for all projects. However, from 1st April, 2018 all Engineering payments will be made in the regular PS Module. All SEs / EEs should review and submit the shortcomings in IT infrastructure & System for SAP implementation separately in their respective Circles/ Divisions and inform the office of SE(HQ) / EE(NM) by 24th February, 2018 for compiling & onward submission to Systems Manager (SM).

      SEs/EEs should also start uploading all projects in SAP which are likely to extend in financial year 2018-19 so as to ensure smooth implementation of the PS Module from 1st April, 2018 onwards.

      CIDCO Engineers have been allotted the official email Ids with domain name *cidcoindia* by System Manager. SEs/ EEs should ensure that all Engineers in their Circles / Division have got CIDCO's official email Id and the same should be used henceforth in all official communications. The email id and its password can be obtained from Datacenter 1st floor, CIDCO Bhavan (contact person: Shri Girish Raghani Mob. 9860420843).

      This is issued as approved by CE(NM).

                                15/2/18

                               Superintending Engineer (HQ)
