CIRCULAR

Sub: - Enhanced Scope of work of TPQA

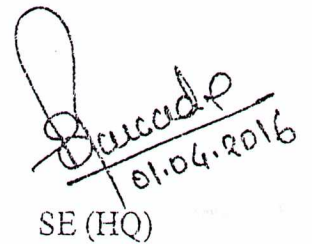

Ref: - P.F.No. 19/2016 of SE (Design & QC)

The enhanced scope of work of TPQA for ongoing works / future works is as follows:

- i) In case of reclamation works whether it is executed directly by CIDCO Engineers or through Project Management & Implementation Consultant (PMIC), verification and certification of initial, intermediate and final ground levels shall be done by Third Party Quality Auditor (TPQA) appointed for that work.
- ii) In case of Integrated Infrastructure Projects, Mock up of 5m stretch of work approved by concerned EIC has to be verified & certified by TPQA to sort out any problem in actual execution at initial stage.
- iii) Video footage and photos (GPS enabled with date & time) of critical activities shall be documented by TPQA. In the case of reclamation works initial levels needs to be documented by TPQA.

All SEs/EEs are requested to take note and follow as above.

This circular is issued as approved by VC & MD.
