

**CIRCULAR**

**Sub: -** Status of existing Nodal Infrastructure development and to be taken up.

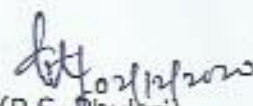

The competent authority has directed CE(NM), CE(SP) and CE(NMIA) to prepare the upto date status of infrastructure development in various CIDCO nodes including 12.5 % area and Action plan for balance infrastructure works to be taken up on priority basis.

In this regard a meeting is held by CE(NM) and CE(NMIA) on 01.12.2020 and it is directed that all nodal Executive Engineers shall prepare the status report of their nodes on nodal layout plan showing upto date Infrastructure developed i.e. Roads, Sewage network, W/S distribution network, Storm water drain network, Street light network, Electrical Sub-station etc. A statement showing numerical details of above information shall be put on the drawing itself.

Addl. Chief Planners from Planning Department are requested to provide the details of confirmed layout plan including 12.5% scheme where no Infrastructure is developed but Plots have been allotted / to be allotted shortly.

Concern nodal SEs shall compile the above details of their circle and submit the same to SE(HQ) /EE(NM) by Wednesday i.e. on or before 09.12.2020

This is issued as directed by CE(NM), CE(SP) & CE(NMIA).
